

LM SQD 0416-1

May 2016

To whom has received the delivery in question

Surface conditions acc. to EN 10163

The delivery of the constituent product(s) produced from a strip mentioned on attached inspection documents is supplied by Lemvigh Müller A/S.

For this specific delivery, Lemvigh Müller A/S declares hereby that the delivered product(s) complies with Class A3 as given EN 10163-1:2004 and EN 10163-2:2004.

This statement is based on performed inspections and contractual obligations between Lemvigh Müller A/S and all used sub-concentrators during- and after the processing of the strip into its final cut length (plate).

This document is subject to the general terms and conditions of Lemvigh Müller A/S.

Kind regards

Lemvigh Müller A/S.
